MR WEISBERG:

I AM INTERESTED IN PROCESSING ANY FINGERPRINTS THAT MAY STILL EXIST THROUGH THE AUTOMATED FINGERPRINT IDENTIFICATION SYSTEM.

I DO NOT NEED ANY ORIGINAL MATERIALS; A CLEAR COPY OR "TRACING" WOULD WORK FINE. I DOUBT SERIOUSLY THAT THIS HAS BEEN DONE, BUT FIGURED YOU WOULD KNOW IF ANYONE DOES.

I THOUGHT OF YOU WHEN I CAME ACROSS A REFERENCE TO THE "OTHER" FINGERPRINT THE FBI DIDN'T IDENTIFY ON THE FLYER OSWALD HANDED OUT ON THE DUMAINE WHARF. I WOULD LIKE TO TRY. I WONDER IF ANY OTHER UNIDENTIFIED FINGERPRINT EVIDENCE COULD BE IDENTIFIED IN THIS WAY? I'LL PUT IT THROUGH THE COMPUTER IF IT EXISTS.

DOES ANY EVIDENCE OF THIS KIND EXIST?

VERY TRULY YOURS,

David Stager
